MFA Statement on Senate Confirmation of Treasury Secretary Steven Mnuchin

WASHINGTON – MFA President and CEO Richard H. Baker today released the following statement on the U.S. Senate’s confirmation of Steven Mnuchin as the 77th Secretary of the U.S. Department of the Treasury:

“On behalf of MFA, I would like to congratulate Secretary Mnuchin on his confirmation as our nation’s next Treasury Secretary. For more than 25 years, MFA has worked with the Treasury Department to advance policies that promote growth and foster fair, efficient and transparent capital markets for investors. We look forward to continuing that constructive relationship with Secretary Mnuchin and his colleagues as they work to strengthen the economy by simplifying the tax code, enhancing capital formation and investments in capital markets and modernizing our regulatory framework.”

About Managed Funds Association:

Managed Funds Association (MFA) represents the global alternative investment industry and its investors by advocating for sound industry practices and public policies that foster efficient, transparent, and fair capital markets. MFA, based in Washington, DC, is an advocacy, education, and communications organization established to enable hedge fund and managed futures firms in the alternative investment industry to participate in public policy discourse, share best practices and learn from peers, and communicate the industry’s contributions to the global economy. MFA Members help pension plans, university endowments, charitable organizations, qualified individuals and other institutional investors to diversify their investments, manage risk, and generate attractive returns. MFA has cultivated a global Membership and actively engages with regulators and policy makers in Asia, Europe, the Americas, Australia and all other regions where MFA Members are market participants.
